## The Real Book: Sixth Edition: Hal Leonard Corporation

Hal Leonard was a genius to get the rights and publish them legally and keep the same vibe with the hand- copy look. I still have some illegal copies and the new edition obviously could not get all of the rights to duplicate the original content, but Hal make up for the missing tunes by adding new ones that were not in the original.

## Slide guitar - Wikipedia

Slide guitar is a technique for playing the guitar that is often used in blues music. It involves playing a guitar while holding a hard object (a slide) against the strings, creating the opportunity for glissando effects and deep vibratos that reflect characteristics of the human singing voice. It typically involves playing the guitar in the traditional position (flat against the body) with
